## LEGION SPONSORED PAPER DRIVE THIS SUNDAY

By WALTER HOLLAND

According to the WPB three items of vital need are still on the salvage list—Waste Paper, Tin Cans and Waste Paper. In order to clean-up all the Waste Paper in the City of Albany an all out effort and an all-day job will be undertaken Sunday, September 16, to get the accumulated waste paper in Albany homes and business establishments. The WPB lets it be known that paper will continue to be a critical item for some time to come because of paper used in overseas shipments—reading matter sent to armed services overseas, shortage of pulp imports, shortage of help in the forests and paper mills and the reconversion problems of the paper industry.

Albany Post No. 292, The American Legion, in instigating the Waste Paper Drive, and inviting other organizations to lend their assistance, had in mind a simple way in which every citizen of Albany could share in helping make a Happy Christmas for patients in the U. S. Army and Navy hospitals and the Livermore Veterans Hospital by bundling their waste paper for the pickup September 16, for the proceeds from the sale of this waste paper will be given to the Veterans Hospitals Christmas Committee Inc.

It has been some time since Albany has had a city-wide paper pickup and according to Fire Chief Fred Pimental there might have accumulated in homes more paper than is good for safe fire protection and he urges every citizen to clean out every scrap of unneeded paper in homes and business establishments. String and cord to tie the bundles is available at the Fire Department on San Pablo at Washington Street.

Godfrey P. Hanson, who has been in charge of other Albany Salvage drives, is the general chairman for this Sunday paper pickup. He stated, "It cannot be stressed too strongly that all paper must be separated as type and bundled securely. The devoted time volunteer workers have to devote to the pickup it is not fair to them to have to stop and segregate, bundle and tie the paper. There are four types of paper—newspaper and pulp, magazine and slick, 3 card board such as containers and boxes, and scrap. The first three should be bundled separately and the scrap

paper should be placed in boxes and tied securely. Bundles should be placed on the curb in front of homes and business establishments Saturday night or early Sunday morning. Workers should report to the Fire Department at 8:30 a. m. Sunday and luncheon will be served at the cars where the paper will be loaded."

Mrs. Beatrice Raymond, Albany Chamber of Commerce executive secretary, when endorsing the paper drive said: "I am going to get every scrap of unneeded paper in my office and all of the paper in my home from cellar to attic, including the garage, bundled for this drive. I have never heard of a more simple way for an entire community to share and get credit for such a worthy cause with so little effort."

## PRE-SCHOOL MOTHERS HEAR MRS. DORIS MAIER

The Albany Pre-School Mothers Club held their regular meeting on Wednesday evening. A flag was presented to Mrs. Edna Heinkel, president, for the school by L. J. Carroll, past commander of the Albany Post 292, American Legion.

Mrs. Doris Maier, speech instructor of Albany schools, gave a very interesting talk on "Speech Habits and Speech Improvements for the Pre-School Child."

## Business Tax Proposal Meeting

Albany's city governing body announces that on Wednesday, September 19, at 8 p. m., a meeting will be held in the City Hall for all citizens interested in a newly proposed business tax for this city.

It is especially urged that business people attend this meeting and learn "first hand" the reasons back of this idea. Questions will be answered by legal authorities and it is felt that clarification of many questions about this proposal will meet with desired results.

## Evening School Classes to Open

Monday evening, September 17, will mark the opening of the fifth year of the Albany Evening School. Enrollment this year is expected to exceed the 1300 adults registered last year. Over thirty courses under competent and qualified instructors are available without fee to interested adults. Several classes will again be conducted during the day at the Recreation Center but the majority will be held in the evening from 7:30 p. m. to 9:30 p. m. at the Albany High School. Registration will take place at the opening session of each class or may be made by telephoning LA. 5-5864.

Of special interest to men are the mechanical drawing, sheet metal and wood shops, physical education and upholstery classes. Adults who wish to learn or improve their shorthand or typing will find individual classroom instruction available. Thrifty mothers may take advantage of the sewing, dressmaking, interior decorating and craft classes. For exercise, instruction and enjoyment adults will find the beginners and advanced folk dancing classes stimulating. With the nation returning to peacetime activities many adults are expected to take advantage of the excellent opportunities given at these classes.

Those attending the party were Lida Beemer, Barbara Boyd, Audrey Fisher, Daryle Gerling, Eileen Lukes, Evelyn McCully, Norma Noe, Jeanne Stockton, and Mr. and Mrs. Lloyd Spangler and Mr. and Mrs. Arthur Fredrickson.

The benedict-elect has been serving overseas for many months and soon will be discharged from the Navy. The couple have announced plans for a January wedding.

## POLICE AND FIREMEN BOW TO EXCHANGE CLUB TEAM

In the best-played and most exciting local ball game of the season, Albany Exchange Club eked out a 4-5 decision over the Albany Police and Firemen's team.

George Kendall of the Police and Fire put his team ahead in the beginning of the first with a home run, but this short lead was wiped out by the Exchange Club scored two runs in their half of the first on singles by Miller and Cornell and a double by Freeman.

From then on it was really a pitchers duel between Fireman Bill Hutt and Exchange Al Zerga; neither team scoring until the last inning. Both pitchers received excellent support from all team members, giving up eight hits each. Fielding honors were voted to Exchange Vern Freeman who covered short center field like a gazelle, making all catches look easy.

In the first half of the seventh it "looked like the ball game" when Police and Fire scored two runs on successive hits by Hutt, Viarengo and Vercelli. In spite of pre-game

3-1 odds (determined by themselves) the city boys couldn't "stand the prosperity" of a 3-2 lead for more than a half inning.

In a whirlwind finish to a swell ball game the Exchanges put the "game on ice" in their half of the seventh. Cornell got his second hit to start off the inning. Ed Howell drove a fast line drive triple to left-center to score Cornell with the tying run. On Smith's fly ball to right, Howell then scored from third with the fourth and winning run to end the game.

Viarengo was leading hitter for the Police and Fire, while Cornell and Zerga led the Exchanges—each had two hits.

After the shouting was over "Senator" McSheehy of the Firemen said "We demand a return game," while "Lippy" Viarengo of the Police claimed "We wuz robbed."

Exchange "Dolph" Cleary, however, after "sweating it out" for seven innings, merely stated, "just a breeze."

## Mrs. K. Fritz Honored

Mrs. Katherine E. Fritz was honored last Thursday evening at a party given by the Albany Federal Savings and Loan Association and members of the Soroptimist Club. Mrs. Fritz, who for the past few years has been secretary of the locally owned Savings Association, recently resigned her position and has announced that she will soon open a gift shop in Albany. During the many War Bond drives "Kay" Fritz has been chairman and general assistant on many committees and her capabilities and personality have won many warm friends in Albany.

Those attending the party were first entertained at a cocktail hour given at the home of Mrs. Harold Olson of the Ellis Co. Mortuary when Mrs. Fritz was presented with an orchid by Mrs. Olson on behalf of the Soroptimist Club. A special song, written for her was sung by the composer, Mrs. Claire McGaw. She was later presented with a gift from the Federal Savings and Loan Association.

Present at this delightful affair, besides members of the Soroptimist Club were Mr. and Mrs. William Bowman, Mr. and Mrs. Charles O. Sensibaugh, Mr. and Mrs. John Barnes, Mrs. Beatrice Raymond and City Attorney Joseph Young.

## Recommend Disband Of War Council

At a meeting of the Albany War Council, called by Mayor R. F. Cleary, following the regular City Council meeting Tuesday evening, it was decided that recommendations be made to the City Council to disband the War Council, repeal all ordinances pertaining to civilian defense and security which were necessary during the war emergency and no longer valid, and that a Disaster Council be formed.

Sgt. Arthur K. Smith, director of the War Council and former property officer, requests that holders of civilian defense property such as gas masks, helmets, pumps, etc., keep them in readiness to be turned into a central location. This location will be decided upon by the new property officer who will be appointed at the next City Council meeting, Monday evening, September 17.

## Record Enrollment In Albany Schools

A record enrollment of 3180 pupils in the high school and three elementary schools was recorded on the opening day of school this semester. This figure represents an increase of 151 pupils over the closing enrollment of last semester. 2332 pupils were in elementary grades and kindergarten with 775 at Marin, 783 at Cornell, and 774 at Codornices. The high school enrollment was 848 students.

A record enrollment of 427 pupils enrolled in the first grades of the three schools. This large figure is attributed to the fact that the new state law lowered the age of entrance for first grade pupils to 5 years 6 months on or before September 1.

Paul C. Bryan, Superintendent of Schools, stated that the increased enrollment was partially anticipated and 3 new teachers have been added to the high school faculty.

## BREAKFAST CLUB PICNIC AT MEMORIAL PARK SUN.

Arrangements are already made for the annual picnic for the Women and Men's Breakfast Clubs at Memorial Park, Sunday, September 16, from 12 noon to 6 p. m.

An outstanding program has been arranged by committee members and plenty of thrills are promised participants by Mrs. Nell Moore, President of the Women's Breakfast Club and Ed Howell, President of the Men's Club.

Breakfast Club members are urged to bring their family and guests

and make it an old fashioned basket picnic. The refreshments committee will serve coffee, cake, and soda pop for a nominal fee. It is rumored that Minnie Allison is having some dissent from her committee composed of Mayor "Buzz" Cleary and Councilmen Bert Hill, Larry Williams, Frank Graeber and Frank Hays, over who will be the official boss of the Clean Up Squad.

Highlighting the afternoon's program will be the annual Women's and Men's softball game between Bea Raymond's "Bombers" and Henry Villa's "Dodgers," crowning of the winner of the Dog House Liar's contest, which the men's club claim will be a breeze for them. Community singing, games and races for children and adults will round out the afternoon schedule.

Nell Moore, chairman urged that all members assist with the paper drive, scheduled for Sunday morning and attend the Breakfast Club picnic in the afternoon.

WE INCREASE TIRE LIFE WITH  
**FACTORY METHOD  
RECAPPING!**

**Tires loaned while we're recapping or repairing your tires**  
We'll make it our business to keep you rolling. Our men are trained in the approved **FACTORY METHOD** of recapping and can add thousands of miles to the life of your present tires. **REPAIRS** will be made to head off failures.  
The tires we have in stock are B. F. Goodrich Silvertowns—tires which have been proved by an estimated 3 BILLION MILES on the road.  
Drive in today for an official **TIRE CHECK-UP**. Our men can spot undue wear... tell you how it can be prevented. (Off-the-wheel inspections are only 50¢ per wheel.) We'll also give you mile-stretching **TIRE ADVICE** on rotation, air pressure, driving. So bring all your tire worries to us... and you can leave 'em behind when you drive away.
